

WiSACWIS Release 1.3.1 Notes

Ticklers

3191	Assignment closed but ticklers NOT reassigned	When an assignment is closed by creating a new assignment via the Actions hyperlink next to the worker's assignment record and that worker has the only assignment to the case and the worker also has ticklers, the Tickler Reassignment page is not displayed. The ticklers are now automatically assigned to the new worker.
------	---	---
